Join the group.

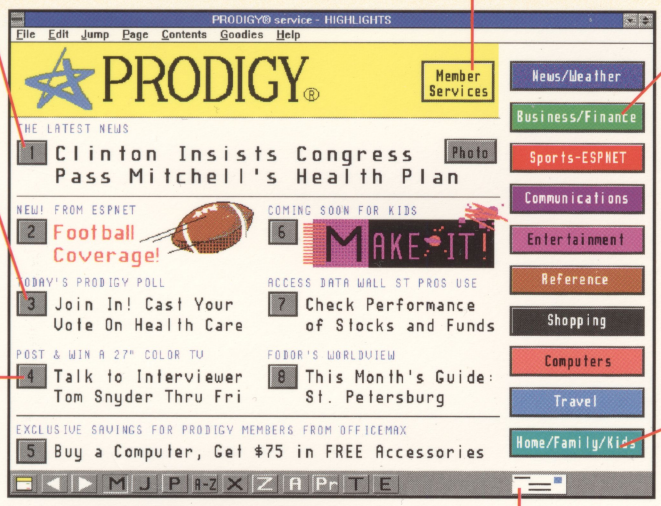
Join the millions of PRODIGY members who have found 1001 online ways to make their computers more valuable, more useful, more interesting and more fun.

Hot off the wire. News, weather, ESPNET℠ sports and more. With headlines, details, and backgrounders.

World Class Service. This help button takes you to one of the largest customer service staffs in the business. We'll always give you friendly, informative help 24 hours a day, 7 days a week. Any questions? Installation help? Just call **1-800-PRODIGY.**

Speak your mind. Join the group and make your opinion count. Take the PRODIGY opinion poll today. See the results tomorrow.

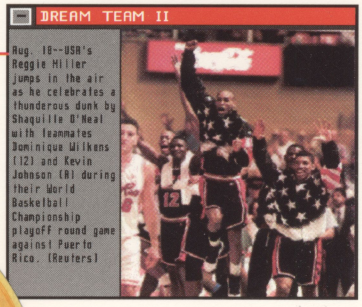
Get on board. It's your choice of thousands of topics. Bulletin Boards connect you with people who've been there, done it, and can't wait to share their experience with you. Also, real-time conversations and a direct link to *America's Talking*℠ on Cable TV.



Manage your money better. One-stop investing—ideas, analysis, trades. Start with our online database of stocks and funds. Add customized portfolio updates and discount trading. Get online with your own bank and our time-saving bill payment service.

Give your kids the learning edge. Make homework fun and play educational. They'll experience interactive Sesame Street℠, NOVA, and National Geographic. Reference a 33,000 topic encyclopedia that's updated quarterly.

Great graphics and sound. Make your computer come alive with sound and photolike images.



DREAM TEAM II
Aug. 10--USA's Reggie Miller jumps in the air as he celebrates a thunderous dunk by Shaquille O'Neal with teammates Dominique Wilkens (12) and Kevin Johnson (8) during their World Basketball Championship playoff round game against Puerto Rico. (Reuters)

Mail is waiting. Send and receive electronic mail from friends and family. Easy access to your Internet mailbox too.

PRODIGY®
Service

HOW YOU'LL COMMUNICATE:

The PRODIGY® software lets your computer communicate through your modem and phone line to connect you to a world of continually updated information and services.

WHAT'S INSIDE:

PRODIGY software – 3.5" disk (includes built-in PRODIGY service communications software) and complete instructions.

RECOMMENDED HARDWARE:

- PC with 16MHz/80386 (or higher) microprocessor
- 5 MB available hard drive space
- 4 MB (or higher) RAM
- 3.5" disk drive
- VGA (or better) graphics adapter and monitor
- Hayes® or compatible 2400, 9600 or higher bps modem

PRODIGY is available at 9600 bps in most areas at no additional charge.

REQUIRED SOFTWARE:

- Microsoft Windows 3.1 (or higher)

PRODIGY is a registered mark of Prodigy Services Company. Microsoft is a registered trademark, and Windows and the Windows logo are trademarks, of Microsoft Corporation. Hayes is a registered trademark of Hayes Microcomputer Products, Inc. Sesame Street is a service mark of Children's Television Workshop.
